CELTEX INDUSTRIES, INC.

Metal Seated Ball Valves ½"-36"

Parallel Slide Gate Valves, Electronic Relief Valves, Power-Choke Valves, Nextech Trunnion Valves, Turbine Bypass Systems

Electric Quarter Turn & Multi-turn Actuation

Complete electric actuation solutions.
120 to 690 VAC, 50 to 60 Hz, Torques to 17,712 in. lb.

Knifegate Valves

2" – 72", Ambient to 1000 Deg. F Metal & Resilient Seated, Cast Iron, Ductile Iron, Stainless Steel

Electric and Pneumatic Actuators & Controls

Actuators for every application.
Spring Return, Double Acting, Electric, Rack & Pinion, Scotch Yoke

Soft Seated Ball Valves

½"-4" Threaded & Weld end, ½"-12" Flanged to ANSI 300
Multi-Port, Sanitary, Complete Valve Automation
Threaded, Flanged, Socket/Butt Weld

Gate Valves, Globe, Ball & Angle Valves

Cast Steel, Stainless, F22, DI, Bronze, 2"-36" 150#-600#,
2"-16" 900#-1500#

SIPART PS2 Intelligent Positioners

Electropneumatic Positioners for Linear and Rotary Valves.
Profibus PA and Hart Protocol Capable
